Celebrating Inclusion

As we end the year 2023 with the power of inclusion and participation with society. We would like to share with you our progress with the community .

Centre Evolution

Started with a one room we have now spread to a vast majority in Society. To cater them all we have expand to another two rooms to enhance the tools of empowerment.

Let there be information

Rise and Shine

The Garden of Rise and Shine is now ready for cultivation of healthy fruits and vegetables where the student can enjoy nutritious food at school.

The Training for the students and teachers was held in 2023. The Teachers and Students showed keen interest in the technology and the idea of having a natural farm in the school's backyard. Due to harsh monsoon, the cultivation period was changed. Now the plots are ready and are ready to be cultivated. Stay tuned for for the harvested products.

Empowerfest SHILLONG

Panel Performance

to celebrate the international day for Persons with Disabilities the Government of Meghalaya has organised the empowerfest where we can see the potentials, skills, talents and opportunities of Person with Disabilities in the state of Mehghalaya. one of our primary stakeholder Mr. Pynbiang Kon, has had the opportunity to perform a song and the co-founder of Marvelling Roots, Mr. Banraplang Pyngrope was being invited for a panel discussion relating to the opportunities of Person with Disabilities in livelihood sector.

Training on Food Processing and fast food

A Training on Food Processing and preparation of fast food item was being organized by ITDEM and Marvelling Roots supported by MSSDS (Meg Skills). The training was of a duration of 260 hours and took place in 2 villages, Marai Kaphon and Nohkalikai. The training was being attended by the women SHG and local entrepreneur.

International Day for Persons with Disabilities

Blind Football Match

Match

DAY

Celebrating the International Day for Persons with Disabilities Marvelling Roots in collaboration with Bethany Society, Maraikaphon Dorbar, Nohkalikai Village and Mawkisiem Seng Samla had organised a one-day Blind Football match. Blind football, also known as "football 5-a-side," is an incredible sport where visually impaired athletes showcase their skills. A tournament with four teams participating would likely be an intense and fascinating event. The four teams are Mawkisiem Seng Samla, Maraikaphon Under 21 football club, Nohkalikai Sengsamla, and Meghalaya Blind football team. Out of all the four teams, only the Meghalaya Blind football team has players who are visually impaired (Blind).

The players from the other three teams are blindfolded, relying on their hearing and the sound of the ball (which contains bells) to orient themselves. The goalkeeper is sighted and acts as a guide to direct their teammates during the game. The setup for a blind football match involves a smaller, enclosed field with sideboards that keep the ball in play.

INCLUSION!

The final match was being played against Maraikaphon Under 21 Football Club and Meghalaya Blind Football Team. It was an exciting moment in both the teams scored 1 goal each during the normal time. The match was later taken to extra time in which none of them were able to shake the net. The match was taken to a tie-breaker in which most of the Marai Kaphon Players failed to score and the Meghalaya blind football team was able to score 3 goals during the tie-breaker which took the Meghalaya football team to claim the victory in this exciting and wonderful event. The program was later concluded with a prize, certificate, and mementos distribution followed by a short speech by the Rangbah Shnong of Marai Kaphon, Sengsamla mawkisiem and Nohkalikai Headman. special thanks go to our generous supporters and well wishers in making this event a success.

FOUR
WALLS

Banker Early intervention Center

The center now have 15 children all under the age of 7. The shout the cry and the anger was seen as happiness as they realize that the center was meant for them but not for any one else

RapLin School of Skills

The centre now has 5 learners each of which have a particular set of skills of their own. Material were provided to them to enhance their skill set and to also improve their knowledge. It is a liberate classroom where they can learn how they want to improve the skills that they have using an old unused tabler to learn from youtube the tab was donated to us by our well wishers.

We hope this Newsletter finds you well. We are reaching out to you today to kindly request your support through a donation for our cause. As an organization dedicated to working for children and persons with disabilities in society and to promoting inclusion through inclusive programs, we rely on the generosity of individuals like you to continue making a positive impact in the lives of those we serve.

Your contribution, no matter the amount, can make a significant difference in removing barriers and promoting inclusion in a society where everybody has the right to learn and learn. Whether it's providing essential resources, funding critical research, or supporting our ongoing programs, your donation will directly contribute to our efforts and help us achieve our goals.

We understand that there are numerous deserving causes vying for your support, but we genuinely believe in the importance of what we do and the positive change we can create together. We invite you to join us on this journey and be part of something meaningful.

To donate, please do so to the provided bank account at the bottom or contact us directly at atmarvellingroots@gmail.com/Ph No. 9863096696/8119009731 if you have any questions or need further assistance. We deeply appreciate your consideration and support.

Thank you for your generosity, and may your kindness inspire others to make a difference.

Warm regards,

Kerlinda War
